Dear Sir or Madam:

This letter will serve as a 30 day notification pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994 that NBTY Inc. is using the following statements on the Borage Oil supplement under the PhysioLogics brand name.

- Gamma-Linolenic Acid is a precursor to prostaglandins, action-specific biomolecules that regulate many important functions in cells.
- Borage Oil also contains the essential fatty acid, Linoleic Acid (Omega-6).
- Essential fatty acids cannot be made by the body and must be obtained from diet.
- These nutrients play key structural roles in cell membranes.

The above statements are accompanied by the required disclaimer pursuant to Section 6 of the Dietary Supplement Health and Education Act.

Sincerely,

Ona Scandurra, MS, RD
Director of Nutrition Communications
